

December 16, 2009

Dear Fellow SSR Members,

This is the time of the year when we do our final wrap up of the past year's events, and plan another fun year to follow! In the past year the committee and I have had a long hard look at what we had going on and how many people attended all of the events, with some events that were met with poor attendance. We feel that maybe this year we tried to do too many things and believe that if we scale back to a more attractive schedule we will have better turnouts. We all understand that in the real world we already have a lot going on and to try to plan something every month is just impossible. So we felt it in the best interest of everyone that we will only schedule the following: Cruise to Marion, Scavenger Hunt, Car Show, Fall Cruise, Barn Dance and, lastly, our Winter Social. All of the dates will be announced at a later date and they all will be posted on our Web Site when they are available. We will have two special dates for Mikey's Highway clean up! As a group, we also agreed that there will be occasions that we just want to get together and cruise. The committee has everyone's phone number and we will call you when we want to get together on a Sat. or Sun. for a cruise. Don't forget Tuesday nights in the summer at Charlie's Drive in Hortonville and remember that if you bring an old car you get a free Root beer!

And lastly, I have to touch on **Dues**. Once again, without the membership fee of \$25.00 per family, we would not be able to do the things we do. The fees provide us with our website, it helps to offset the cost of every event we have, it pays for the meat we have at our barn dance, beverages we have at our Winter Social. I could go on with all that it helps to pay for, but I think you all get the picture. As your President, I am proud to say I represent a club that not only stands for preserving the future of old cars, but we are a family run organization that welcomes young and old! When I took on the task of organizing this, with the help of many others, I never dreamed that it would grow to what it is today. So let's help to keep it going by attending the **Winter Social on January 23rd @ Twisters Bar in Stephensville, 7:00 PM**. Snacks, Beer and Soda will be provided along with entertainment by Gloria and RJ!

Thank you,

Joe Vermiglio
President SSR

P.S. Anyone wanting to bring a snack, don't call, just bring it!!!!

Look for the 2009 calendar on our website (<http://www.stephensvillestreetrods.com>) in January. You can print it by right clicking on the calendar and selecting Print from the menu that pops up.
